

*"It's unacceptable a child dies every 6 seconds
somewhere around the world from hunger" - Christina Aguilera*

This year, the world has reached a very sad milestone -- more than one billion men, women and children know what it's like to go to bed hungry. As the World Hunger Relief Ambassador, Christina Aguilera is using the power of her voice to raise awareness for the voiceless.

Join Christina and Yum! Brands in the fight against world hunger. A donation to the World Food Programme today will feed families tomorrow.

Just like Christina, you can make a difference. Together we can move from hunger to hope!
