Dear Mr. Novak:

Everyday, all over the world, more than 850 million men, women, and children go to bed hungry. Deaths due to hunger exceed those of war, tuberculosis, and AIDS combined. I applaud the tremendous strides YUM Brands is making toward alleviating world hunger. The commitment shown by you and your employees is truly inspiring and sets a standard for other businesses trying to make a difference. Your involvement in World Hunger Relief 2008 clearly demonstrates the American spirit of compassion and volunteerism.

Sincerely,
