Mr. David Novack
Chairman and CEO
YUM! Brands
1441 Gardiner Lane
Louisville, KY 40213

Dear Mr. Novack:

I am writing to commend the commitment of Yum! Brands to end world hunger by your important work in support of the World Food Programme advocacy of the World Hunger Relief Campaign.

As you now, world hunger continues to be the number one health risk threatening millions worldwide. Last year, Yum! Brands employees took action by embarking on the largest volunteer effort to end hunger that the world has ever seen by dedicating 4 million hours in addition to raising \$16 million in one week. I understand Yum! Brands has even more ambitious goals this year by expanding its official activities with World Food Programme beyond a week. It is only through joint public-private partnerships like yours and the World Food Programme that we can improve nutrition and promote a healthier world community by ending hunger around the globe.

Thank you and Yum! Brands for your dedicated efforts to raise public awareness of hunger in every corner of the world and for putting such significant corporate resources toward resolving this worldwide health issue.

Sincerely,
